End User Licence for The Periodical Historical Atlas of Europe, 1 to 2000 Expert Version 1.21

The Periodical Historical Atlas of Europe, 1 to 2000 Expert Version 1.21, published by EurAtlas-Nüssli, is protected by copyright and thus, cannot be copied, neither sold. The present licence allows you to use this software, at the same time, on one single computer. It authorizes you, to print on paper 40 monthly copies of maps for each depicted century, for your personal use with the provision of quoting the source of it, that is:

"© 2003 Christos Nüssli, www.euratlas.com".

In state-owned educational establishments, teachers may print each month 200 copies of maps for each depicted century, for educational purposes under the same provision of quoting the source, that is:

"© 2003 Christos Nüssli, www.euratlas.com".

The person who wants to duplicate more maps must get specific written permission from Christos Nüssli (Milieu 30, 1400 Yverdon, Switzerland) and pay royalties fitting the planned use. It is forbidden to use this atlas throughout a network unless otherwise agreed by the author. The content of The Periodical Historical Atlas of Europe Expert version 1.21 is not transmittable. Under no circumstances, this software can be used for commercial purposes.

Euratlas-Nüssli guarantees the good condition of the data carrier for 60 days from acquisition date on. Each defective software will be replaced upon request in return of a purchase proof. Christos Nüssli is not liable for direct or indirect damages resulting from this software use. Under no case, the liability of Christos Nüssli could exceed the price of this software.
